Summer Food Service Student Meals

The Hawaii State Department of Education (HIDOE) Grab-and-Go school meals program will be extended at select meal sites for an extra four days beyond the end of the school year on May 28 and transition to the summer meal program which runs through July 17. The schools below will provide meals to children 18 years or younger, free of charge, regardless of eligibility for free or reduced price meals.

On May 29, some distribution sites will stop serving meals during the summer break. Kauai school sites will stop serving on May 29 and restart on Jun. 8. Sponsor sites at public agencies, churches and nonprofit organizations will begin serving meals to children at additional locations in communities to support keiki.

Parents are urged to check the revised lists below, as the Grab-and-Go sites they currently visit may be closing. Meal distribution will continue to provide grab-and-go servings in walk-up and drive-thru lines. Dine-in options will not be available. Children do not have to be enrolled at the school distribution site and do not have to be public school students.

For special diet accommodations, email specialdiets@k12.hi.us.
