## 2025 Campaign to Support The Sex Abuse Treatment Center

A Program of Kapi'olani Medical Center for Women & Children

For over 40 years, The Sex Abuse Treatment Center (SATC) has been a safe place for survivors of sexual assault to begin their journey of healing.

As a program of Kapi'olani Medical Center for Women & Children, SATC provides confidential and compassionate care to survivors, and promotes safe communities through prevention and education.

## Stand With Survivors

Join us in our Healing Begins With Hope campaign to support SATC's life-changing services. Your generosity helps to ensure that those affected by sexual abuse will receive the medical, emotional and legal assistance they need to rebuild their lives.

## Your Support Matters

Your donation directly funds SATC's efforts to provide immediate intervention, crisis counseling and long-term support services for survivors. Together, we can continue creating a safe space where healing begins.

## Exclusive Donor Benefits

We invite individuals and businesses to make a pledge and join the movement to end sexual violence. As a valued supporter, you'll receive special recognition and opportunities to engage with SATC's mission.

- **\$250+ Individual Donors**
  - » Invitation to the exclusive donor appreciation celebration in May.
- **\$2,500+ Corporate Supporters**
  - » Invitation to the exclusive donor appreciation celebration in May.
  - » Logo and branding recognition at the celebration event.
  - » Invitation to join our special activities during Sexual Assault Awareness Month in April.
  - » Inclusion in the Hawai'i Pacific Health annual report.
  - » Additional opportunities available for gifts of \$10,000 or more.

## Please Make Your Gift by March 30, 2025

Stand in solidarity and show your support for survivors. By making your gift before March 30, 2025, you'll be recognized as part of our efforts during Sexual Assault Awareness Month in April. All donations are 100% tax deductible.

Your commitment means more than just financial support. It symbolizes hope, strength, and healing for survivors. Together, we can ensure that SATC and those it serves continue to flourish.
